BIOGRAPHY

---

**Joined Amundi Pioneer: 2015**  
**Investment Experience: Since 1995**

**James Yu is Vice President and Associate Portfolio Manager based in Boston. He focuses on Large Cap Core strategies incorporating ESG factors.**

James joined Amundi Pioneer from Wells Capital Management, where he was a Senior Research Analyst supporting Wells Capital's small-cap value and mid-cap value strategies, with a focus on consumer discretionary, industrial, aerospace & defense, energy, and materials. At Wells, he specialized in small- and mid-cap value companies with market caps in the \$250 million to \$30 billion range. Prior to Wells, James was Co-Manager of a large cap blend strategy at Putnam Investments. Prior to Putnam, he was Co-Manager of small-cap value and large-cap value strategies at John Hancock. He also held a portfolio management position at Merrill Lynch and an equity research position at Gabelli & Co.

James has a B.S. from Rutgers, an M.B.A. from Columbia University, and a Master's in History from Harvard University. He also attended Harvard Business School's Executive Education Program. He is a CFA® charterholder.
